### Tuition Information

- Tuition may be pre-paid or set up for monthly, quarterly, or annual payments. This can be done when you complete enrollment or by accessing the financial system through your JCS Parent Portal.
- **1% Early Registration Tuition Discount** will be applied to tuition accounts when registration fees are paid in full before April 1st.
- **3% Pre-Pay Tuition Discount** will be applied to tuition accounts when tuition is paid in full by August 15th.
- **\$100 Cleaning Discount** will be applied to tuition accounts of families who elect to clean the school.
- Tuition payments are to be paid by the due date. Late tuition payments will be assessed a \$50 late fee. *If tuition is 60 days past due, a phone contact will be made by the Financial Administrator that will be followed by a letter that confirms the elements of the conversation. If no tuition is paid within 30 days of this contact by letter, a meeting with the Finance Committee will be requested to discuss the family's financial circumstances and to determine an arrangement for tuition payments to become current.*

- Families who have unpaid tuition from previous years, will be required to meet with the JCS Financial Administrator prior to the start of the new school year. During this meeting we will review the circumstances that may have contributed to the unpaid balance, review any financial aid that may be available, and recommend a plan for payment that will be beneficial to both the family and the school. These findings will be reviewed by the finance committee and approved or a counter proposal recommended.

**\*\*\*Note: Students enrolled for less than a complete year will be billed for the complete quarter for any quarter in which they are enrolled.**
